

Subject:-Regarding filling up of post of Principals

From

Director, Higher Education, Haryana,
Shiksha Sadan, Sector-5, Panchkula.

To

Principals,
All Govt. Aided Private Colleges
In the State of Haryana.

Memo No. 2/90-2016 C-II (4)

Dated, Panchkula the 29/12/2016

**Subject:-Regarding filling up of post of Principals in
Govt. Aided Private Colleges.**

Kindly reference to the subject cited above.

All the Presidents of Governing Bodies of Govt. Aided Private Colleges earlier were directed vide this office letter No. 8/17-2011 C-IV (3) dated 05.07.2011 & 08.06.2014 to fill up the vacant post of Principals in these Colleges. But it has come to the notice that in several colleges the post of Principals are lying vacant since long and officiating Principals are working there.

It is also intimated that Principal is an important member of the selection committee for the selection of teaching/non-teaching posts in the private aided colleges.

All the Presidents of Governing Bodies of Govt. Aided Private Colleges are again directed to fill up the post of Principals at the earliest otherwise without regular Principals permission to fill up teaching and non-teaching posts will not be granted.

Please treat it as most urgent.

Deputy Director-II
for Director, Higher Education,
Haryana, Panchkula
