Dated 29.12.2016

Subject: Regarding visit of field staff in the Directorate.

Kindly refer to the subject cited subject.

It has come to notice of the department that large number of Professors and Associate Professors from field offices are found moving around the Branches of the Headquarters for getting their works done especially fixation of salary, transfer, deputations and LTC etc. Such tendency amongst the teaching staff from the field is highly uncalled for. Strict warning is hereby issued to such persons who come to the Headquarters without prior approval of the competent authority and disciplinary proceedings will be initiated against them. Their reporting authorities may also be warned to be more careful in future so that the staff working under them should not come to the Directorate without prior approval.

This order be complied with strictly.
