1. Introduction:

The Department of Higher Education, Haryana is committed towards improving the overall performance of the Higher Education Institutes (HEIs) of the state and bring in a culture of excellence in the present set of activities by strict and continuous audit of the performance of the Institutes. Accordingly department has taken various initiatives in this direction to overhaul higher education scenario in Haryana.

These initiatives will benefit colleges and universities in long term. But as per the latest UGC mandate, each institute need to have at least 2.5 grade in NAAC accreditation without which institutes will not be eligible for the central grants. Not only that HEIs will only be eligible if they have required NAAC grade, there are certain other benefits of NAAC such as :

1. Helps the institutions to know strengths, weaknesses, opportunities through an informed review.
2. Identifies internal areas of planning and resource allocations.
3. Enhances Collegiality on the campus.
4. The outcome of the process provides the funding agencies with objectives and systematic database for performance funding.
5. Initiates institution into innovative and modern methods of pedagogy.
6. Given the institution a new sense of direction and identity.
7. Provides the society with reliable information on the quality of education offered by the institution.
8. Employers have access to information on standards in recruitment.
9. Promotes intra-institutional and inter-institutional interactions.

Presently, 32 Govt colleges (out of 149 Govt Colleges) and 4 universities (out of 17 state universities) has NAAC accreditation. Also, only one university of Haryana (i.e KUK) universities falls under the top 100 ratings of NIRF. Accordingly department has devised PRaYAAS framework "Performance Rating Yardstick for Academic Audit Standards (PRaYAAS) - A framework for Quality Improvement in Higher Education Institutes" aims to assess and identify the strengths and weaknesses of the HEIs in the State, and help them improve on their deficiencies. But it is felt that handholding support is required at the colleges/universities level to address these deficiencies. Presently HEIs in Haryana, especially colleges neither have internal capability nor bandwidth to prepare themselves for accreditations and ratings. It has been observed even if college has required infrastructure to be eligible for accreditations, colleges fail to get good grade in NAAC due to incorrect data and presentation. Therefore department intends to onboard agency which can handhold HEIs in various areas and will further enable HEIs in getting NAAC accrediting and improving score in various ratings (i.e NIRF, QS, THE etc).

1.2 Invitation

- Through this RFP, Department of Higher Education, Haryana invites responses from eligible and reputed Companies/Agencies for providing handholding support to Government colleges and state universities of Haryana for getting/improving accreditation and ratings scores.
- This invitation to bid is open to all bidders meeting the eligibility criteria as mentioned in this RFP Document.
- Proposals must be received not later than time and date mentioned in the Data Sheet. Proposals will not be accepted by the system after due date/ time.
- The Department of Higher Education may, at its discretion, extend the date for submission of bids.
- Cover bids are not permitted.

2 Action Plan for NAAC

Department aims to get all its government colleges and state universities (*those which are eligible and existing over 5 years*) NAAC accredited by 2020. Also to improve NIRF ratings, state eyes to have at least 3 state universities in top 100 rating of NIRF.

Parameter		Present Scenario	Target 2018-19	Target 2019-20
1. Academic Quality	Improving accreditation of Colleges	142 (74 Government/Aided) colleges with valid NAAC accreditation	170 (Government and aided colleges)	246 (ALL Government and aided colleges)
	Improving ranking of Private Universities at the National level	No Universities in NIRF top 100 (overall) ranking	2 Universities in NIRF top 100 (overall) ranking	1 Universities in NIRF top 50 (overall) ranking and 2 Universities in top 100 (overall) ranking
	Improving ranking of State Universities at the National Level	1 University in NIRF top 100 (overall) ranking	1 Universities in NIRF top 50 (overall) ranking and 2 Universities in top 100 (overall) ranking	2 Universities in NIRF top 50 (overall) ranking and 3 Universities in top 100 (overall) ranking

Overall impact of this initiative will further strengthen the Higher Education ecosystem in the State that will result in quality education, better employment opportunities for students, reducing unemployment, increasing the income generating capacity and making Haryana –a higher education hub in North India.

3 Scope of Work

Department of Higher Education intends to provide handholding support to government colleges and state universities for NAAC/NBA accreditations, improving grades and scores in various rating framework (NIRF, QS, THE etc)
