D.O. No. 22/21-2019 CI (5)
Dated : 13-3-2019

Subject: - Adjustment of displaced extension lecturers.

This has come to the notice of undersigned that even after several instructions issued by this office w.r.t. matter cited as subject, a number of Principals are not adjusting the extension lecturers despite availability of workload as per student strength. Even such extension lecturers are not being adjusted who have been displaced after joining of regular Assistant/Associate Professors. This action of concerned Principal is in violation of instructions issued vide letter No. 22/115-2018 CI(5) dated 13.7.2018. Due to such unbecoming behavior of Principals/ college authorities, this office is facing unnecessary litigations.

You are hereby warned that any incidence of denial to extension lecturer (in case, the workload is available in relevant subject as per student strength) will make you liable to face departmental proceedings.

The instructions issued time to time in this regard may be complied with on urgent basis.
