

B. A. Hons (Geography) I Semester

Paper-102

FUNDAMENTALS OF PHYSICAL GEOGRAPHY

July 2018

4th Week : Composition and structure of atmosphere;

5th Week : insolation and temperature:

August, 2018

1st Week: Vertical and horizontal distribution; air pressure

2nd Week : Winds, planetary, periodic and local.

3rd Week : Relief of ocean floor; temperature and salinity; circulation of oceanic water:

4th Week : Sea waves, ocean currents and tides.

September 2018

1st Week : Nature and scope of Physical Geography; origin of earth:

2nd Week : Binary Star Hypothesis of Russel, Hypothesis of Otto Schmidt,

3rd Week: Gaseous hypothesis of Kant, Nebular hypothesis of Laplace; distribution of land and water,

4th Week: Shape and size of the earth: latitude, longitude, movements, rotation and revolution.

October 2018

1st Week: Origin of continent and ocean basin: sliding continents theory of Daly,

2nd Week: Continental drift theory of Wegner;

3rd Week: Definition and classification of rocks: igneous, sedimentary and metamorphic;

4th Week : Earth movements: orogenic and epirogenic;

5th Week: Weathering and erosion.

November, 2018

1st & 2nd Week : Assignments, Seminar, Tests, Group Discussion.

Dr. Kuldeep Yadav, 25/08/2018
Associate Professor (Geography)

B. A. Hons (Geography) V Semester

Paper-502

WORLD REGIONAL GEOGRAPHY

July, 2018 :

3rd Week: Natural regions of the world- location, climate, human life and economic life of equatorial,

4th Week: Monsoon, tropical deserts, Mediterranean &

5th Week : Taiga regions

August 2018 :

1st Week : Economics region,

2nd Week: Major industrial regions of Japan

3rd Week : U.S.A.

4th Week: China

5th Week : Cultural regions of the world on the basis of religion.

September 2018 :

1st & 2nd Week: Regional geography of South Asia:

3rd Week: Physiographic divisions;

4th Week: Demographic characteristics;

5th Week: Industrialization and urbanization.

October 2018:

1st Week: Geographic realms and regions,

2nd Week: Criteria for realms and regions,

3rd Week :World geographic realms.

4th Week :World geographic realms.

5th Week :World geographic realms.

November, 2018 :

1st & 2nd Week: Assignments, Seminar, Tests, Group Discussion
